Is this a net new position?

Specifically, is this research professional being hired into a new role that did not previously exist? This is not a requirement of the program.

Duration of the position?

Anticipated Project Start Date

Please provide this date as it will be used to calculate the award start date in your notice of decision. This date can be amended once a funding decision has been reached.

Anticipated Project End Date

Please provide this date as it will be used to calculate the award end date in your notice of decision. This date can be amended once a funding decision has been reached.

Language of Correspondence

Please select your preferred language of correspondence.

SECTION B – PROJECT DESCRIPTION

Plain Language Summary: (150 words)

Project Description: (1000 words)

Please include the main components of the program that the research professional will be involved with including milestones, resources/equipment available, objectives and impact for the duration of the research professional's involvement.

Please explain the alignment of the research program with one or more of the priority sectors: (250 words)

How does this project either address the challenges or advance knowledge within the specific priority sectors? If no, then does the proposed project clearly explain how it will benefit or impact the province of New Brunswick?

Please consider explaining economic or socioeconomic impact, potential impact on patient care or how the emerging sector will be impactful going forward.

Expected expertise of the Research Professional: (250 Words)

- If the candidate has already been identified, please attach their CV along with the job description.
- If the candidate has not been identified, attach a job description. Use this field to indicate if the candidate has been identified and either paste a job description here or attach it.

Research Professional's Expected Contribution: (350 Words)

Please describe the Research Professional's expected contribution to the research program and how a candidate with the specific skills and experience sought will impact the proposed research project.

SECTION C – Financials

Requested Contribution from ResearchNB:

Matching Funding Sources Table 1:

In this table, please report the matching funds that you have secured or requested from other funders. Funding from your research institution should be classified as 'other'. ResearchNB has different leveraging ratios for our funds and require this information to confirm your project meets those criteria. Please see the program description page for these ratios.

	Name of Funding Source	Source of Funds	Requested or Secured	Cash Contribution Amount	In-kind Contribution Amount
1					
2					
3					
4					
5					

Please describe the matching funds sources (if necessary).

Reasons for further explanation needed: if you are leveraging only a certain portion of a federal award or a industry partner is providing both cash and in-kind contributions, these may need to be explained further.

Add more funding sources?
