Research Professionals Initiative

## Research Professionals Initiative - Application Form

In Progress - Last edited: 15 Aug 2024

### RPI - Application Form

#### BASIC INFORMATION

Title of Project:	(No response)
PI website (if applicable):	(No response)
Organization:	(No response)
Principal Investigator (PI) First Name:	(No response)
PI Last Name:	(No response)
PI e-mail address:	(No response)

#### Anticipated Project Start Date:

Please provide this date as it will be used to calculate the award start date in your notice of decision. This date can be amended once a funding decision has been reached.

(No response)

#### Language of Correspondence:

Please select your preferred language of correspondence.

(No response)

**Name of Other Investigators, Research Associate(s), or Collaborators:**

	Name	Role
1		
2		
3		
4		
5		

**Duration of position?**

(No response)

**Is this a net new position? Specifically, is this research professional being hired into a new role that did not previously exist?**

This is not a requirement of the program.

(No response)

**Requested contribution (up to \$90,000.00 funds must be evenly matched):**

\$ 0

**Executive Summary (250 words):**

Please provide a short summary of the research program the research professional will be involved in.

(No response)

**Research Program Description (1000 words):**

Please include the main components of the program that the research professional will be involved with including milestones and objectives for the duration of the research professional's involvement.

(No response)

---

**Anticipated Impact (500 Words):**

Please explain the potential for innovation (e.g. creation of IP), commercialization opportunities, and/or socio-economic impact such as potential direct or indirect economic impacts - e.g. from government or NGO policy or program changes this work might inspire or inform?

(No response)

---

**Resources and Equipment (250 Words):**

What resources and equipment (in-place or planned for this research program) are available for the Research Professional?

(No response)

---

**Expected expertise of the Research Professional (250 Words):**

If the candidate has already been identified, please attach their CV along with the job description. If the candidate has not been identified, attach a job description. Use this field to indicate if the candidate has been identified and either paste a job description here or attach it.

(No response)

**Research Professional's Expected Contribution (250 Words):**

Please describe the Research Professional's expected contribution to the research program and how a candidate with the specific skills and experience sought will impact the proposed research project.

(No response)

**Research Professional's Growth (350 Words):**

What opportunities for growth and professional development will be available for the professional? Describe the opportunities for the research professional to be involved in student/HQP training.

(No response)

**Matching Funding Sources Table**

In this table, please report the matching funds that you have secured or requested from other funders. Funding from your research institution should be classified as 'other'. ResearchNB has different leveraging ratios for our funds and require this information to confirm your project meets those criteria. Please see the program description page for these ratios.

	Name of Funding Source	Source of Funds	Requested or Secured	Cash Contribution Amount
1				0
2				0
3				0
4				0
5				0

**Source of Matching Funds (100 Words):**

Please describe any funding sources listed as "Other" in the table above.
